

Erratum

Kuldeep; Garg, P. K. 2014. The role of texture information and data fusion in topographic objects extraction from satellite data, *Geodesy and Cartography* 40(3): 116–121. DOI:10.3846/20296991.2014.962814.

In the original version of the article ‘The role of texture information and data fusion in topographic objects extraction from satellite data’ by Kuldeep and Pradeep Kumar Garg first published on 25th September 2014, the mistakes were introduced to Figure 2 (online and print).

Figure 2 wrongly appeared as:

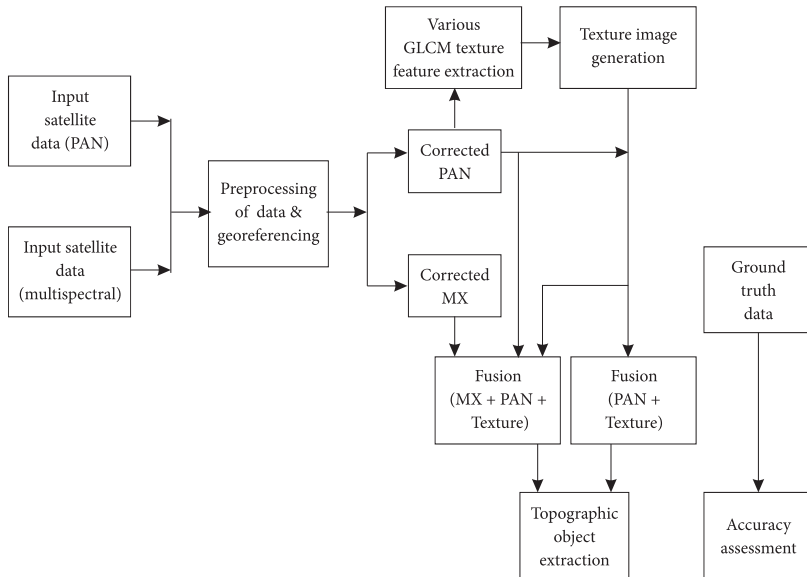

Fig. 2. Methodology

It should have appeared as:

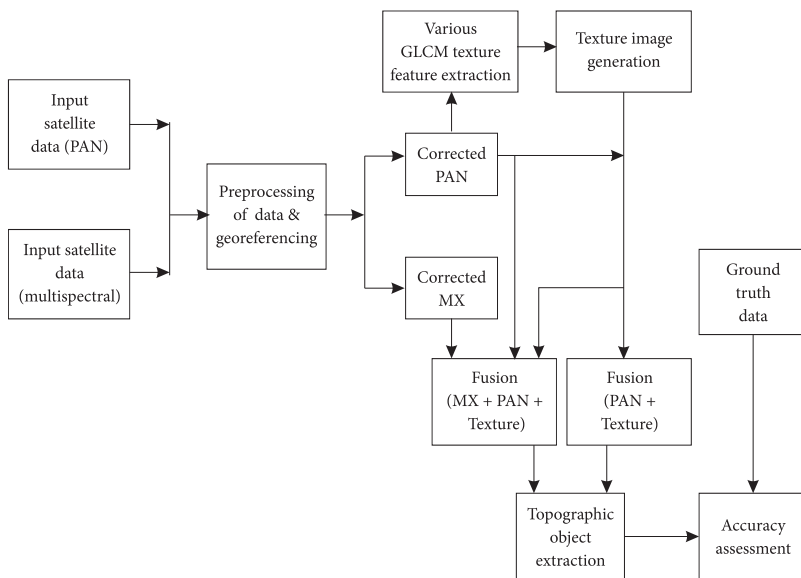

Fig. 2. Methodology

We apologise to the authors for these error.

A corrected version can now be found at T&F Online, DOI:10.3846/20296991.2014.962814.
